Suspicious Activity

There has been an increase in suspicious activity including thefts from vehicles in our community. Please report all suspicious activity to the Edmonton Police Service non-emergency line at 780-423-4567 or #377 from an Edmonton mobile. Help fight crime in our community!

Mayfield Community Hall Improvements

You may have noticed that there was some construction being done at the Community Hall in June. The foundation needed some structural repairs. These repairs have now been completed with the exception of the concrete around the west & north side of the building and the asphalt on the east side. We're hoping to have those completed before late fall.
