#LITTLEBIGMOMENTS | @BGCBIGS

Little moments make a **BIG IMPACT.**

We're looking for 1,000 volunteers.
Help us make a difference.

Today, there are more than 1,200 children and youth waiting for a mentor in the Edmonton area—20 of those children and youth live in your neighborhood and surrounding communities. Due to the compounding effects of the COVID-19 pandemic and the rising cost of living, children and families are experiencing escalating mental health risks and further isolation and anxiety; But you can help make a difference.

Did you know... children who have a mentor in their lives will:

- Enjoy healthier peer relationships
- Show a reduced use of drugs and alcohol
- Experience better school performance

Help us build a brighter tomorrow by becoming a mentor today.
