Message from Our Lady of Peace Elementary School

There has been a lot of excitement since the start of the New Year at Our Lady of Peace. We continue to see gains and growth in the areas of Literacy and Numeracy, Physical Literacy and through our Performing Arts program. We also continue to witness our Catholic Virtues through our focus book "The Seven Sacred Teachings." As we continue to see signs of spring, our students have taken on many leadership roles in various clubs such as Art Club, Comic Club, Badminton, HERO club, Lego Club and other school based activities. We also continue to fundraise for the Sign of Hope through our healthy apple chip sales. This is all a great example of our school motto "Together We Grow."

Our Lady of Peace is a great community school with many opportunities for students. We are accepting registrations for the 2018/19 school year. If you would like to meet to find out more information about the school please call 780.489.1222.
