Message from Our Lady of Peace School

At Our Lady of Peace we believe in growing healthy hearts, minds and spirits. Through this transformation journey our children can realize their potential and bring to life the best version of themselves. As a Christ-centered community we foster healthy minds, bodies and spirits through collaboration, inquiry, critical thinking and reflection by empowering our students to be engaged thinkers, energized learners, and ethical citizens. We believe that everyone is welcome and has a 'place in the circle'. Our teachers have been in over the summer and are excited for the new school year. We have a strong focus on literacy and numeracy. Our school also has a Cree Culture Language Program. We have many exciting events planned for our students such as the Alberta Opera, Physical Literacy sessions, Science Fair, Art Show, Running Club, Badminton Club and much more. In early September we will be accepting registrations for full day kindergarten to grade 6. Come and see what we have to offer.
