# Community News

Our Lady of Peace Catholic Elementary School, located in the Mayfield area (15911 110 Ave), provides programming for children from 3 years of age to Grade 6. At Our Lady of Peace, we believe in nourishing the **mind, body** and **spirit** of students.

**Nourishing the mind:** We extend academic learning by hosting literacy and math nights, an art show, science fair and cooking, coding, gardening, numeracy clubs and more.

**Nourishing the body:** As an active Apple school, our students learn to take care of their bodies through daily physical activity and good nutrition. We support ski, swim, cross-country run, volleyball, and soccer programs. We encourage physical literacy and 'Moving in the Hallways'. We also provide a healthy **lunch every full day** as well as 2 snacks per week.

**Nourishing the spirit:** The spirit of the child is very important to us as a Catholic Nehiyaw Pimatisiwin Cree Language and Culture school. We integrate spiritual and cultural learning and growth throughout our days and have a Braided Journeys program to enhance cultural teachings.

In January, Our Lady of Peace will be accepting registrations for 100 Voices (3 or 4 years of age by September 30) and Kindergarten (5 years of age by December 31).

For more information, please visit our website at: <http://ourladyofpeace.ecsd.net/> or call the school at: 780-489-1222.
