Welcome to Mayfield, ABC Head Start!

We are excited to share that ABC Head Start will be joining the Mayfield neighbourhood!

ABC Head Start Society provides high-quality, play-based early learning programs for children aged 3-5, helping them develop confidence, friendships, and the skills they need for success in kindergarten and beyond.

The organization will begin running their programming from the Mayfield Community Hall this fall (September 2025).

If your child is 3-5 years old and needs extra support in their early years, they may qualify for ABC Head Start's free preschool program.

ABC Head Start is now accepting applications! We encourage you to apply today! Visit abcheadstart.org/apply to learn more.
